

Don't forget to LOG IN YOUR RECEIPTS during our summer break. Arlington Elementary School can still be in the running, if everyone remembers to log in their receipts. Also, if you go online and register for the Galleria School Rewards Program, we can also gain points for our school. You have to remember to indicate "Arlington Elementary School".

The school year is just about over and I will be turning over my duties to Ms. Kristin Ishida. Come next school year, if you should have any questions, please feel free to ask Kristin.

By now – we should have had our last and final Box Tops Drawing for this school year. I hope your child was able to be a recipient of a prize this school year.

Please keep clipping those Box Tops throughout the summer months. When school starts again in September, we should be having another drawing shortly after.

Don't forget to log in your Ralphs and Albertson rewards program cards and link them to Arlington Elementary School. In a previous Parent Information Packet a letter from Ralphs went home to each household. On that letter was a barcode that you can take to Ralphs that they can scan in and automatically link your rewards card to Arlington Elementary. In previous years, Arlington has received nice return checks from RALPHS and ALBERTSONS. Its free money people!!! All you have to do is sign up and link your rewards cards to Arlington and we can start seeing money in return.

Have a wonderful summer!!!!!!
