

Thank you to everyone who participated in the Galleria School Rewards Program last year. (02/01/09 thru 12/31/09). Arlington Elementary School came in 4<sup>th</sup> place and was awarded \$1,000.00 in gift card money to be used at the South Bay Galleria.

The new program launched on February 1<sup>st</sup>, 2010 and is now in full swing again. Please remember when you shop at the Galleria to take your receipts to the Customer Service booth located on the 1<sup>st</sup> level near Nordstroms, to have your receipts logged in under Arlington Elementary School – Torrance, so that our school can get credit for the money you spend. You can log in your food court receipts, Red Robin, California Pizza Kitchen, Starbucks, AMC Theaters and all the other various stores at the South Bay Galleria.

If you don't have time to stop and have your receipts logged in, there is a collection envelope in the schools office. You can put your receipt inside that collection envelope and I can take your receipt to the Galleria to receive credit for your purchases. If you need to receive your receipt back, please indicate so. Perhaps you can submit your receipt in an envelope and on the envelope, you can tell me which one(s) you need back and your childs info, in order for me to return that particular receipt back to you.

If you have not already done so, please go to the South Bay Galleria's website and sign up for the galleria (e)club. Don't forget to include ARLINGTON ELEMENTARY so that we can get credit for your sign up. You will receive e-mails of special events and upcoming sales, etc.

We are in full swing of our 2<sup>nd</sup> collection here at Arlington. Our Box Tops submission needs to be post-marked by Friday, February 26<sup>th</sup>, 2010. The drawing will then take place on the following Monday, March 1<sup>st</sup>, 2010 at Monday morning assembly.

Also, please remember to log in your Ralphs and Albertson rewards program cards and link them to Arlington Elementary School. In a previous Parent Information Packet a letter from Ralphs went home to each household. On that letter was a barcode that you can take to Ralphs that they can scan in and automatically link your rewards card to Arlington Elementary. In previous years, Arlington has received nice return checks from RALPHS and ALBERTSONS. Its free money people!!! All you have to do is sign up and link your rewards cards to Arlington and we can start seeing money in return.
